Dear Mr. Carnes,

Thank you so much for your quick response to our past requests for public records.

I am requesting copies of the original termination of pregnancy reports as submitted by the abortionists for terminations in Indiana from February 1, 2018 through March 20, 2018. It is my understanding that SEA 404 amended the Indiana Code to require that all abortions performed in Indiana be reported within 30 days (IC 16-34-2-5(b)). I understand that reports will be provided on discs or electronically. Please send the discs to the address below or e-mail to cathie.humbarger@ichooselife.org.

Please let me know of any cost related to this request and I will remit payment immediately.

Mail to:

Cathie Humbarger, VP
Indiana Right to Life

Sincerely,

A handwritten signature in cursive script that reads "Cathie Humbarger".
